

Integrating the GENVASC invitation and witnessed consent process with a GP practice invitation for the NHS health Check

- The Health Check invitation text should include a brief reference to the study. E.g. *you might also be interested in an associated research project called GENVASC. It is entirely voluntary. For more information please go to www.genvasc.uk/invite*
- The link takes the patient to the GP practice invitation letter version 1.0 280414 which contains a further link <https://www.leicesterbrc.nihr.ac.uk/wp-content/uploads/2017/07/6.-167617-Abbreviated-PIS-Version-3.0-12092013-English.pdf> to the Abbreviated PIS version 3.0 12 September 2013
- This study invitation and PIS must only be used in conjunction with the witnessed consent process.
